

# Habonim Dror Camp Gilboa

Camp Gilboa is a Jewish summer camp and year-round youth movement that serves the California and Western US Jewish communities and has a strong connection to Israel. In recent years, Camp Gilboa has flourished, outgrowing its rented campsites, and this past summer celebrated a move to a beautiful new site. The purchase of Camp Bluff Lake provides a sustainable future for this unique youth-led program that offers a nurturing setting where friendships and building Jewish identity go hand in hand with experiencing the beauties of nature. We invite you to be our partner in this important mission.
