

JCamp 180® All Together Now 2021

Matching Grant Frequently Asked Questions

Updated June 3, 2021

Q: What camps are eligible for this grant?

A: The Jewish overnight camps in North America who are affiliated with JCamp 180 and approved to participate in the All Together Now 2021 Matching Grant. This campaign is by invitation only.

Q: How much money is my camp eligible to receive in matching funds?

A: Each camp is eligible for a maximum match based on camp size and utilization as reported in the Camp Census of October 2019. Your camp's maximum match is listed in the Grant Agreement Letter, which you received with your approval email. Maximum match amounts are not subject to appeal.

Q: How can matching funds be used?

A: ATN 2021 Matching funds are granted as unrestricted funds to help camps meet their critical needs. As such, **HGF has decided to change the original rule listed in the Grant Agreement:** *“Restricted gifts designated for specific programs or capital expenditures are not eligible.”* ATN 2021 funds will match any critical needs including scholarship funds, capital expenses or general operating needs.

Parent organizations must use matching funds for expenses related to their JCamp 180 overnight camps. To be matched the gifts must meet the following eligibility criteria:

- Cash or cash equivalent. Stocks, bonds, and other cash equivalents.
- Gifts of any amount up to the camp's maximum grant allocation from HGF.
- Increases in regular allocations from Jewish Federations or similar agencies directly in response to the All Together Now 2021 Matching Grant.

Q: Can ATN 2021 funds match the JCRIF (Jewish Community Response and Impact Fund) grants?

A: ATN 2021 funds can not match the JCRIF grants.

Q: How long does this matching grant last?

A: The matching grant runs between February 1, 2021 and January 7, 2022. HGF will match donations received during this period only up to the camp's maximum match amount. The final report is due by January 31, 2022.

Q: What is the matching ratio for this grant?

A: 1:2 (HGF will match \$1 for every \$2 raised by the camp).

1:1 (HGF will match \$1 for every \$1 of camper deposits/tuition payments re-designated as charitable donations if a camp does not open/opens for reduced sessions and campers withdraw).

Q: What counts as Tuition Converted to Donation?

A: Camper deposits/tuition payments re-designated as charitable donations if a camp does not open/opens for reduced sessions and campers withdraw. In the event that camp is cancelled, returned scholarship funds will not be matched; scholarship funds may only be matched at the time that the gift is made.

Q: How are Canadian dollars valued?

A: All gifts must be submitted in USD, using the conversion rate from the date the gift was made. HGF matches will be disbursed in USD.

Q: What gifts are approved for this match?

- Gifts of cash equivalent. Stocks, bonds, and other cash equivalents.
- Gifts must be collected by the camp between February 1, 2021 – January 7, 2022.
- Gifts of any amount will be matched up to the camp's maximum match allocation from HGF.
- Increases in regular allocations from Jewish federations or similar agencies directly in response to the All Together Now 2021 Grant or COVID-19.

Q: What gifts are not eligible for matching?

- Gifts from anonymous donors if reported with incomplete donor contact information.
- In-kind contributions, discounts on services or goods, art, real estate, or other non-cash instruments.
- Regular allocation from Jewish federations or similar agencies
- Government relief funds associated with the COVID-19 pandemic.
- JCRIF funds.
- One Happy Camper or PJ Goes to Camp Incentive Grant funds.
- If your camp is currently in another active HGF matching grant through JCamp 180, donations may only be submitted to one HGF grant to be matched.

Q: Please clarify an anonymous donor?

A: When reporting gifts, your camp must submit a full name (first and last), address and/or email address, donation amount, and a donation payment ID or check number in order for HGF to match those gifts and to comply with IRS requirements. If a donor has communicated to a camp that they wish to remain anonymous, the camp should indicate this to us by checking the “Anonymous Donor” box.

Q: What does HGF do with my camp’s donor information that I submit for ATN 2021?

A: HGF collects donor information for three purposes. First, HGF maintains donor information to be able to verify donor gifts for recording keeping and auditing purposes. Second, HGF may from time-to-time steward, thank and invite camp donors to HGF and JCamp 180 events for the purpose of supporting the Jewish camp field and its ongoing sustainability. In the coming year, JCamp 180 will communicate with a camp’s leadership regarding our stewardship plans before contacting donors. Third, HGF may verify if the donor supports or interacts with other HGF flagship programs for the purpose of better stewardship and acknowledgement. JCamp 180 and HGF will never publish a list of donors, and does not sell, rent, or trade donor information. We will abide by the donor’s wish to be anonymous if such indication is made by the camp during grant reporting.

Q: Does my camp qualify for the bonus?

A: Camps that complete their matching grant in full on or before October 8, 2021 and submit the final report before October 31, 2021 will receive a one-time USD \$10,000.

Q: How do I report donations for this match?

A: Camps will submit new donations by downloading the ATN 2021 Donation Report on the HGF Grants Portal and submitting the completed version through their online account. When reporting gifts, your camp must submit a full name (first and last), address and/or email address, donation amount, and a donation payment ID or check number in order for HGF to match those gifts and to comply with IRS requirements.

A: HGF will not be matching funds that come from PJGTC.

Q: When can we submit gifts for matching, and when will we receive our matching funds?

Matching funds will be paid within 10 working days of submission/approval.
