EISNER AND CRANE LAKE CAMPS

Dear [Prefix, First, MI, Last, Suffix],

Because so many of you have expressed an interest in rekindling old friendships or simply finding out what happened to each other, the URJ Eisner Camp 50th Anniversary Alumni Directory project is now under way. It is important to us that your listing is accurate.

Please take a few minutes, right now, to fill out the enclosed Alumni Directory Questionnaire to ensure that we have accurate information for your profile. Your complete listing in the Biographical Section will include home address, e-mail address and names of spouse and children (if applicable) as well as professional information. Your name will also appear in two other sections of our directory: Class Year and Geographical/Career Networking. You will also be able to locate alumni listed under current name, as well as name used as a student. My goal is to make this all-new alumni publication the most comprehensive graduate reference available. As a result, biographical information will be included for all alumni.

Please return the enclosed Alumni Directory Questionnaire as soon as possible, even if the pre-printed information is correct, to let us know if we have your correct information.

We have chosen Harris Connect, Inc. to produce our alumni directory. Their years of experience ensure a quality publication that will become an invaluable reference for you.

Thank you for your cooperation.

Best wishes,
