Dear Ramah Family,

As you know, this current crisis has been incredibly challenging to our beloved Camp Ramah in Canada. Yet, through this unprecedented crisis we have come together as a community in unprecedented ways as well. It is clearer than ever before that the leadership of camp is essential to helping us maintain our strength as an organization and to manifest our vision in the practices and policies of camp.

It is in this spirit that **we are looking to add qualified individuals to the various committees of Camp Ramah's Board**. Please note, this year, we are not accepting applications for positions on the Board of Directors, only for committees of the Board.

For this coming year, we are looking for volunteers with a deep commitment to camp and energy to help camp weather this crisis and endure into the future. Specifically, we are looking for folks with experience in human resources, fundraising, governance, law, marketing, finance/accounting and facilities/property management. Those that feel they can contribute to furthering Ramah's long legacy are encouraged to apply [here](#).

The various committees meet, as needed, between each Board meeting. The committees include: Budget & Finance, Development (fundraising), Governance, Physical Plant, Scholarship, Nominating, Wellness and US Ambassador Task Force (promoting Ramah to prospective US families).

Actively serving on a committee can be a great potential stepping stone to eventually serving on the Board. Please note that all committee and Board members are expected to make a meaningful annual donation to Ramah.

If you are interested, please apply by **August 17, 2020**. Applicants may not hear from the Nominating Committee until after this deadline when all applications have been received. In September/October 2020, the

Nominating Committee will propose a slate of nominees for the Board's approval.

Please note that space is limited and applying does not guarantee that you will be nominated to a committee.

If you have any questions, please reach out to Rabbi Jordan Bendat-Appell, Camp Director, at 416-789-2193 ext. 2135 or [jordan@campramah.com](mailto:jordan@campramah.com).

Please forward this to anyone you think might be interested. We look forward to hearing from you!

Sincerely,

**Matthew Fishman**  
Chair of the Nominating Committee
