Dear First Names,

*Todah Rabbah* for completing a Declaration of Intent to include Ramah Wisconsin in your estate plan. Welcome to the Ramah Wisconsin Legacy Society!

At this time we invite you to write your testimony for the Legacy Book. In this way you will preserve a piece of camp history and honor the strong community support that has made the camp the outstanding institution that it is today. You can read other testimonies on our website at [www.ramahwisconsin.com](http://www.ramahwisconsin.com). Click on "Legacy Society" and then on "Legacy Book." Please email your testimony and/or photo to Linda at [LHoffenberg@ramahwisconsin.com](mailto:LHoffenberg@ramahwisconsin.com).

As a Legacy Society member you will be honored with a leaf on the art installation piece affixed in the new Dining Complex at camp. We are very grateful for your ongoing support and commitment to Camp Ramah.

B'Shalom,
