- Days do not have to be consecutive to get points!
- Phones, even when turned in, can be used in the *Beit Tzevet* while there during an off *perek*!
- Phones turned in at Friday morning *tefillah* and picked up after Shabbat ends will earn two days!!
- *Shlichim* and others who want to call home for Shabbat should arrange for their Rosh to have time to make those calls before or after *aruchat boker* in the *Beit Tzevet*.
- Phones may not be used in the *Beit Tzevet* on Shabbat, but can be used Friday, during the day, for an off *perek* as any other day.

*****Whether or not a staff member opts to turn in their phone for rewards, the rules will remain that phones can only be used in the Mercaz Aryeh or in Beit Tzevet and should not be seen in other places around Camp.***
