

## Donate At Your Camp 3

**JCamp 180**, a program of the Harold Grinspoon Foundation, proudly announces **Donate At Your Camp 3 (DAY 3)**, a challenge grant program for select cohort 7 participating camps. This program, which runs from January 1, 2016 through December 31, 2018, is intended to boost the efforts of selected affiliated camps to raise funds to improve facilities, staff commitment and new programming, thereby enhancing the camp's ability to attract and retain campers. **DAY 3** follows other JCamp180 challenges, which have contributed over \$14 million to participating camps.

### Program Description

An amount of \$35,000 will be set aside for each eligible camp. Gifts of \$2,500 or more received in support of a day camp and that meet all other grant requirements will be matched by the Harold Grinspoon Foundation at a 1:3 ratio. A maximum match of \$11,667 per gift has been set. To earn the full \$35,000 in available matching funds, camps must receive no fewer than three gifts of \$35,000 or larger, or up to 42 gifts of \$2,500. See chart below for illustration.

## Guidelines

Eligibility for *DAY 3* is open only to those camps that have been approved for participation in this JCamp 180 program and have an assigned mentor (See *list below*).

For a gift to be eligible for matching funds, a **new donor** must make a minimum gift of at least \$2,500 in a single pledge to a camp. A **new donor** is an individual, family, corporation, or foundation that has not made a calendar year pledge or gift of \$2,500 or more since December 31, 2012.

To be eligible for matching funds, a **previous donor** must triple the amount of their largest previous gift or give a minimum of \$2,500 to this campaign. The larger number prevails. A previous donor may be an individual, family, corporation, or foundation.

Members of the same family may give a “combined” single gift of \$2,500 or more. “Family” is limited to spouse, parents, grandparents, and children. Family trusts, foundations, and corporations may also qualify as donors. Gifts from a Jewish Federation, Foundation for Jewish Camp, or the JCC Association are not eligible.

Gifts must be cash or cash equivalent to qualify. In kind contributions, discounts on services or goods, art, real estate, or other non-cash instruments will not be matched by JCamp180 funds. Stocks, bonds, and other cash equivalents will be matched. Please check with the JCamp180 grants administration team to verify eligibility of non-cash gifts.

For camps that are a program of a parent organization, gifts should exclusively benefit the camp operations. The funds are intended to improve the camp experience rather than other programs of the umbrella organization. To assure that our foundation funds focus on camp programs, camps must submit to their JCamp180 mentor a plan for the use of JCamp180 matching funds for approval.

Donor gifts and matching funds must be used for **capital improvements. Up to 50% of the funds may be used for the following:**

- ◆ Upgrading a staff member from part-time to full-time
- ◆ New programming

In order to participate in *DAY 3*, each camp must submit an application through our on-line grants management system. The online grants system will be used to submit:

- ◆ Gift Form for each eligible gift
- ◆ Proof of payment
- ◆ Payment Reporting Form

Each gift must be secured by **December 31, 2016** and documented with a gift form by **February 28, 2017**. Pledges for gifts to be paid over time must be received by the camp within the period of **January 1, 2016** through **December 31, 2016**. Payments may be reported quarterly and proof of payments must be submitted through the online grant system by February 28, 2019. Payments received after the deadline or through any method other than the online grant system will not be matched.

Matching funds will be distributed on a quarterly basis based on the paid portion of the gift once the minimum of \$2,500 has been paid on the gift. Camps are required to submit proof of payment prior to receiving matching funds (copy of check or credit card receipt). Matching grant funds will be distributed only for the portion of pledges paid by **December 31, 2018**.

This matching grant program will be managed through the Harold Grinspoon Foundation’s on-line grant management system. Eligible camps are required to have a representative participate in the program training webinar.
